

A large, stylized, three-dimensional 'W' logo is embossed on a teal background with a wavy, wood-grain-like texture. The 'W' is composed of several parallel lines, giving it a sense of depth and shadow.

TURKEY TAIL

A smaller, stylized 'W' logo, similar in design to the larger one above, is embossed on the teal background at the bottom of the page.

A photograph of a brick building with a sign that reads "Reference Library Use Only". The building features a prominent arched entrance with a decorative stone surround. Above the arch is a large, ornate stone crest or coat of arms. The building is constructed of red brick with light-colored stone accents around the entrance. A large tree is visible on the left side of the frame, and a grassy area is in the foreground.

D EDICATED TO . . .

MRS. ANNA LEE MELTON

As a freshman sponsor, she helped us adjust to our new life in high school. An understanding smile, an encouraging word that lifts us out of despair and gives us new hope. Through her teaching of business subjects, she enables students to secure a successful position after graduation. Because of these qualities and her diligent work as advisor to the paper staff, we the seniors of 1962 take pleasure in presenting the XV volume of THE TURKEY TAIL to . . . Mrs. Anna Lee Melton.

A man of unceasing energy and deep understanding, Mr. Young became superintendent of Glen Alpine Schools in 1945. Under his guidance and leadership, the school has experienced steady growth and has received wide recognition. It is the desire of Mr. Young and the entire faculty that Glen Alpine give to students a foundation that will enable them to develop a sound philosophy by which to live, a foundation that will insure for them a happy and successful future. It is through the foresight of and the example set by Mr. Young and other school leaders that Glen Alpine has gained its present position in the field of education.

Now the time has come for us to part. As we leave these doors of Glen Alpine, we leave behind the cherished memories that have endeared us to our Alma Mater.

As a parting thought we wish to stress upon each of the seniors to work diligently through the coming years and to achieve his highest goals.

This yearbook we offer to the 1962 graduating class of Glen Alpine. Many years from now we may want to relive those days spent at Our Dear Alma Mater.
